For: **Systems and Methods for Providing Information to Users**

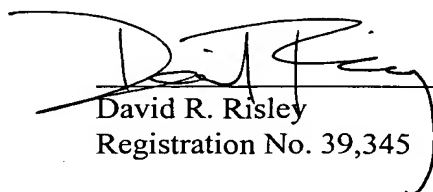

**REQUEST FOR CORRECTION OF IDENTIFIED PERIOD OF RESPONSE**  
**FOR FILING NOTICE OF APPEAL**

Commissioner for Patents

Sir:

Applicant notes for the record that the Advisory Action mistakenly states that the period of response for the present Notice of Appeal is measured from the date of mailing of the final Office Action. Because Applicant responded to the final Office Action within two (2) months from the mailing date of the Action, the period of response should be measured from the date mailing of the Advisory Action, i.e., April 22, 2005. In particular, the period for reply should be treated as expiring on April 22, 2005. Accordingly, a one (1) month extension of time is due with the accompanying Notice of Appeal, and **not** a two (2) month extension of time.

Respectfully submitted,
